

Lions Community Service Foundation (Singapore)

20 April 2020

Dear District Governor, POAs, Lions Club Presidents and fellow Lions of District 308-A1

“LCSF 2020 Humanity Covid-19”

In times of crisis, the inevitable emergence of the best of humanity can be seen in our fragile world. These are the words of solidarity, resilience and unity that energize the hearts of the Lions Community Service Foundation (LCSF) Board of Directors.

In the Humanity spirit of Lionism which echoes on our motto “We Serve”, LCSF has proposed the “LCSF 2020 Humanity Covid-19” contribution of S\$30,000 to support our frontline healthcare workers, volunteers, and Lions (Covid-19 infected) for their ever selfless sacrifice in discharging their heroic work to save lives and further contain the deadly spread of the aggressive Coronavirus on our precious community-at-large.

For any unfortunate Lions or their loved ones who are infected by the Coronavirus, and who may be facing financial difficulties during their treatment and gradual recovery, they may apply for a grant up to 30% of the funds raised by their respective Lions Clubs.

Together with the Government advisories to stay safe, healthy, strong and united, we will surely emerge stronger and rise to a brighter tomorrow.

God Bless and Warmest regards

In Lionism,
