Sub: End of LCSF Term 2019/20

As the term of 2019/2020 comes to an end, I would like to say that I deeply appreciate all your support, participation and encouragement of all kinds.

I enjoyed my term (2018-2020) of office as Vice-Chairman and then Chairman of LCSF (Lions Community Service Foundation). Fortunately, there were no major hiccups but occasional constructive views and comments with content and substance of merit, all for the good governance of LCSF Corporate Management.

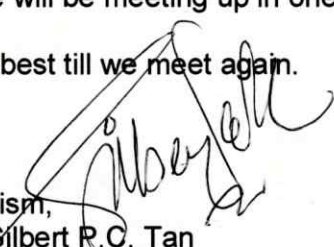

I think all of you have stood by LCSF faithfully and we served the community in the best way we think possible. For all these, I thank you very much and encourage you to give your support to the next BOD (FY 2020/2021) and also serve the community with compassion and sincerity.

Every BOD deserves a LCSF "**Excellence**" recognition for your contribution to "**We Serve**" with a memorabilia LCSF lapel pin as a testament of LCI "**When there is a need, there is a Lion**".

A special mention and recognition to the late **PP Loh Chuan Fatt** for his immense volunteerism contribution to LCSF.

I will be moving on to serve the Lions movement in different capacity in LCS North and District and we will be meeting up in one way or other.

All the best till we meet again.

In Lionism,
PDG Gilbert P.C. Tan
LCSF Chairman 2019/2020
